Project: Skyline Ridge Estates – Island Enhancements

Dear Diane,

This proposal is in response to your request to enhance the island on Calle Brillante in accordance with the attached photos and outlined scope of work.

We propose to furnish all material, equipment, and labor necessary to complete the above-mentioned project. Please note the following clarifications as part of this proposal:

Scope of Work

- Relocate three existing boulders
- Install seven new 5 gallon plants
- Relocate the existing agave pup
- Top dress the granite to best match the existing granite

Project Cost: $2,207.00

Qualifications

- CRS acknowledges receipt of (0) plans and (0) addenda
- CRS shall not be responsible for damage to utilities that are unmarked by Arizona 811 or the owner
- Any damage resulting from CRS negligence will be repaired at no cost to ownership
- Bid excludes irrigation any alterations or additions to the irrigation system may result in a change order

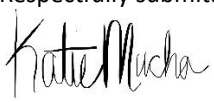

Pricing & Validity

Due to current market volatility and material availability, this proposal is based on pricing available at the time of preparation and is valid for thirty (30) days. Pricing may be subject to adjustment should acceptance be delayed beyond this period, impacting supplier commitments.

All work will be performed in a professional and workmanlike manner in accordance with applicable local codes and ordinances.

Please feel free to contact me with any questions or if additional clarification is needed. We appreciate the opportunity to work with you and look forward to collaborating on this project.

Respectfully submitted,
